ACCOLADES

Mandalay Bay is a unique facility that offers a combination of beauty and functionality.

The staff is dedicated to delivering top-notch service. This combination doesn't exist elsewhere. We gain a significant advantage over our competition and can produce an experience for our attendees that can't be found at any other facility.

-Darel Cook – Director of Expositions & Meetings, PPAI

There is always a reason a group returns to the same property year over year. I have been managing corporate conferences since 2005 at Mandalay Bay for groups from 1,500 to 10,000. Every year, you seem to exceed my expectations by improving on what I already feel is superb hospitality and service. Keep up the great work! I look forward to continuing our relationship for many years to come.

-Terri Dotson – Senior Project Manager, Omnience

Mandalay Bay is a key partner in Las Vegas for Maritz Travel and Experient, A Maritz Travel Company. Their ability to deliver a superior event experience is what brings us back year after year. *Our teams love it and our clients love it!*

-David Peckinpough, CMP – President, Maritz Travel Company

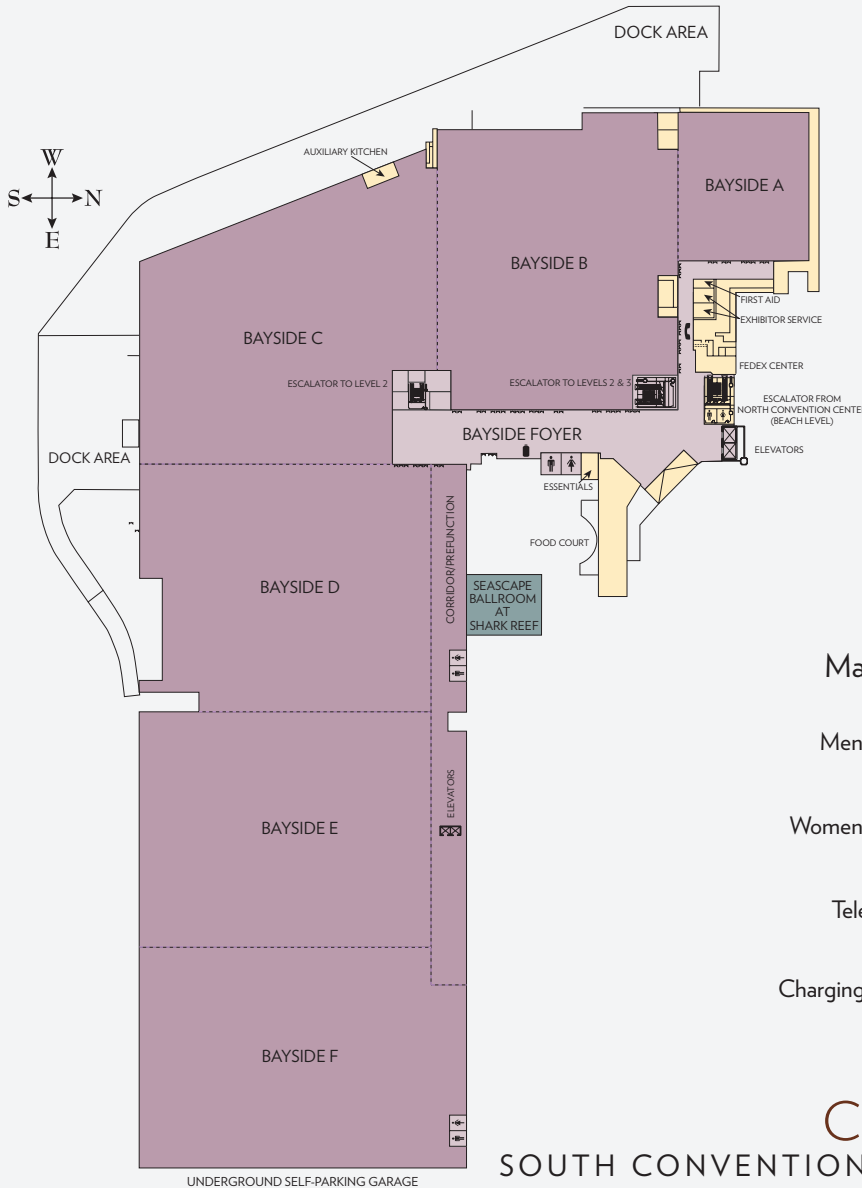

Exemplary service from the professional, knowledgeable, accommodating staff at Mandalay Bay is like no other. Hence the reason we return every other year and look forward to the continued success of our event and partnership we have with Mandalay Bay.

-Debbie Dalton – AVP Shows and Events, Redken & Pureology – a Division of L'Oreal

Mandalay Bay is an excellent venue. But what sets it apart is the service, and service is about people and their attitudes. The service at Mandalay Bay is superior in every aspect. They always try to find a way to say yes. We couldn't be happier with them as a critical partner in our success.

-Tony Calanca – Executive Vice President Exhibitions, UBM
